

Dear FCC,

I am writing to file an appeal for consideration of our Form 471. Currently it has a status of Out-Of-Window status in USAC's Schools and Libraries program portal. Due to unavoidable personnel issues, we were unable to file within the posted time frame. I apologize for the delay. Below I have included all the information I hope you need.

BEN: 5594

FCC Registration Number: 0011952967

Form 471 Application Number: 161061814

Our Form 498 is already on file with USAC for reimbursement. USAC has approved payment for service each and every year before.

Again, I apologize for the delay. Please let me know if there is any additional information or documentation you require. I will make it a priority to get it to you immediately.

Thank you for your time. Please contact me using the information in the signature below.
